Job Title: Fire Service Engineer

Company Name: BDS – www.bds-fire.co.uk

Location: London and the Home Counties

Job Type: Full-time

About Us:

BDS is a leading provider in fire and life safety solutions, committed to ensuring the safety and security of our clients. We specialize in Fire Safety, Life Safety and Integrated Security, taking pride in delivering top-notch services to a diverse range of industries.

Job Description:

We are currently seeking a skilled and motivated Fire Service Engineer to join our engineering team. This is a great opportunity to join a dynamic company in this fast moving industry. The ideal candidate will be responsible for installing, maintaining, and troubleshooting fire protection systems. This role requires a deep understanding of fire safety regulations, strong problem-solving skills, and a commitment to delivering high-quality service.

Key Responsibilities:

- Commissioning of Fire Alarm Systems
- Servicing, maintenance, small works and call outs
- Ad-hoc remedials and surveys
- Keep up to date with industry trends and advancements.
- Any security experience would be desirable

Requirements:

- Some industry qualifications are required and relevant field experience

Salary Range

- 30k + pa for a service engineer with some experience
- 40k + pa for a commissioning engineer with greater experience

How to Apply:

If you are passionate about fire safety and have the skills to excel in this role, we would love to hear from you. Please submit your resume and cover letter to info@bds-fire.co.uk with the subject line "Fire Service Engineer Application." Or simply call us on 020 8773 3377

Application Deadline: This is for an immediate start.

There are training opportunities provided and in the near future there will be opportunities to join a share and joint ownership scheme with BDS.
